

MARKETFED invites Applications from Agriculture Consultancies, Agri-Business Professionals, and Project Consultancy Agencies for providing professional consultancy and technical support services in agriculture and allied sector development projects for Farmer Producer Organizations (FPOs).

The consultancy support is intended for promoting sustainable farming practices, agri-business expansion, value addition initiatives, and implementation of government-supported agricultural development projects.

Scope of Services Required

A. DPR Preparation (Detailed Project Report)

- Preparation of Detailed Project Reports (DPRs) for agriculture and allied sector projects
- Feasibility studies and project planning
- Technical and financial assessment of proposed projects

B. Loan & Subsidy Assistance

Complete guidance and documentation support for availing:

- Bank Loans
- NABARD-linked Schemes
- Government Subsidies
- Agriculture Department Schemes
- FPO Support Schemes
- PMFME, MIDH, PMKSY and other allied projects

C. Project Documentation & Professional Support

- Preparation of project documentation and proposals
- Financial projections and business plans
- Application preparation and submission support
- Liaison assistance with concerned departments and financial institutions
- Market linkage facilitation
- Backward integration strategies
- Training and Capacity Building support for FPOs and farmers

Nature of Engagement:

- Contract / Temporary (as per organizational requirement)
- Empanelment basis as per organizational requirements
